

Summer Lodge

COUNTRY HOUSE HOTEL, RESTAURANT AND SPA

Dear Ladies and Gentlemen,

My name is Eric Zwiebel and I have been the Cellar Master here at Summer Lodge since June 2004.

I was born in Ribeauville in the beautiful province of Alsace in France, an area world famous for its wines, especially the Rieslings and Gewurztraminers. My affection for wine started at an early stage, since my parents had a restaurant, and I used to help them in my spare time.

In order to broaden my knowledge, I decided to move to the United Kingdom in 1999. Two years later in 2001, I was admitted to the Court of Master Sommeliers.

In order to test my abilities in wine and to stay up to date, I regularly take part in several competitions each year. In 2004 I was awarded the title "UK Sommelier of the Year". In 2006, I had the great honour of being France's sole representative, and taking 3rd place in the Best Sommelier of Europe Competition. This year I participated in the Best Sommelier in The World Competition, where I was judged one of the four best sommeliers in the world. These meetings with my fellow sommeliers keep me abreast of the latest trends and developments, and I hope you will enjoy the benefits!

Here at the Summer Lodge, I have created a wine list with a wide selection of wines from all over the world. I hope you will find it a balanced and interesting blend of classical wines from the old world, wines from areas that you perhaps did not know produced fantastic wine, to wines that were once popular and are now enjoying a renewed interest.

Please let me have the pleasure of recommending and perhaps assisting you with your choice of wine to accompany your meal.

The Assistant Sommelier, Benjamin Wolf, and I, hope you will enjoy a wonderful food and wine experience here in Evershot.

With kind regards,

Eric Zwiebel M.S.
Cellar Master
Summer Lodge Country House Hotel, Restaurant and Spa

Wine Spectator Magazine honours this restaurant for having "one of the most outstanding restaurant wine lists in the world" 2005, 2006 and 2007.
